Part Number: TTC-S32-WIFI-001

Single 32" commercial LCD monitor and 7" touchscreen remote

Includes all mounting hardware, 20' power extension cord, HDMI cable, RS232 DB cable.

Features:

- Customer scalable time zone template database, display up to 9 time zone locations.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Commercial grade, certified 24x7-hour rated displays allow for uninterrupted operations.
- Configure time zones in a matter of minutes as opposed to hours.
- NTP or custom NTP settings on remote.
- TAA compliant
- Energy savings feature with custom on/off times.
- Energy Star rated commercial monitor.

Dual 49" commercial LCD monitor and 7" touchscreen remote

Includes all mounting hardware, 20' power extension cord, 2 HDMI cables, 2 RS232 DB cables.

Features:

- Customer scalable time zone template database, display up to 48 time zone locations.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Commercial grade, certified 24x7-hour rated displays allow for uninterrupted operations.
- Configure time zones in a matter of minutes as opposed to hours.
- NTP or custom NTP settings on remote.
- TAA compliant
- Energy savings feature with custom on/off times.
- Energy Star rated commercial monitors.

Single 32" commercial LCD monitor and 7" touchscreen remote
Includes all mounting hardware, 20' power extension cord, HDMI cable, 25' network cable.

Features:

- Customer scalable time zone template database, display up to 9 time zone locations.
- WIFI and speakers removed, USBs removed or epoxied sealed closed/inaccessible.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Commercial grade, certified 24x7-hour rated displays allow for uninterrupted operations.
- Configure time zones in a matter of minutes as opposed to hours.
- TAA compliant
- Energy Star Rated commercial monitor.

Part Number: TTC-S32-SCIF-001

Included Parts

1	32" Commercial 24x7 LCD Monitor
2	Time Zone Single Board Computer Display Unit (DU)
3	Touchscreen Remote Unit (RU)
4	Power Supply 12V 2A AC100-240V Plug 5.5mm x 2.1 x2
5	HDMI Cable
6	25 FT Network Cable
7	20 FT Extension Cable
8	Wall Mount

Product Catalog

Part Number: TTC-S32-SCIF-001

Installation

1. Units come prewired with mounting brackets installed on LCD
2. Install wall mount on wall, hang LCD
3. Power on LCD, DU, RU
4. Attach network cable from RJ45 on DU to RJ45 on RU
5. Follow instructions on RU and begin programming time zone clock

Product Catalog

Part Number: TTC-D32-SCIF-001

Dual 32" commercial LCD monitor and 7" touchscreen remote
Includes all mounting hardware, 20' power extension cord, 2 HDMI cables, 25' network cable.

Features:

- Customer scalable time zone template database, display up to 18 time zone locations.
- WIFI and speakers removed, USBs removed or epoxied sealed closed/inaccessible.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Commercial grade, certified 24x7-hour rated displays allow for uninterrupted operations.
- Configure time zones in a matter of minutes as opposed to hours.
- TAA compliant
- Energy Star Rated commercial monitor.

Product Catalog

Part Number: TTC-D49-SCIF-001

Included Parts

1	49" Commercial 24x7 LCD Monitor X2
2	Time Zone Single Board Computer Display Unit (DU)
3	Touchscreen Remote Unit (RU)
4	Power Supply 12V 2A AC100-240V Plug 5.5mm x 2.1mm x2
5	HDMI Cable X2
6	25 FT Network Cable
7	20 FT Extension Cable
8	Wall Mount X2

Product Catalog

Part Number: TTC-D49-SCIF-001

Installation

1. Units come prewired with mounting brackets installed on LCDs
2. Install wall mounts on wall, hang LCDs
3. Power on LCDs, DU, RU
4. Attach network cable from RJ45 on DU to RJ45 on RU
5. Follow instructions on RU and begin programming time zone clock

Product Catalog

Part Number: TTC-SSA-WIFI-001

Time zone software appliance and 7" touchscreen remote

Use on any 16:9 1080p LCD, projector, or video wall.

Includes 20' power extension cord, HDMI cable.

Features:

- Customer scalable time zone template database, display up to 24 time zone locations.
- Included first of its kind patent-pending touchscreen remote with integrated smart search feature.
- Search from a database of 200,000 cities and US military bases worldwide.
- Our proprietary software automatically loads time zone offsets, daylight savings settings, and precisely centers location labels/date labels.
- On-screen programming instructions guide you through each step of the configuration.
- Save, edit, and recall almost unlimited configured templates.
- Color changeable time, label, date, and backgrounds for areas of interest or concern.
- Customize your display for time and date settings for each time zone individually: e.g. long date vs. short date format, seconds vs. no seconds displayed, and much more.
- Configure time zones in a matter of minutes as opposed to hours.
- TAA compliant

Nominal Voltage	100/240 V	Width	3.5 in
Frequency Required	50/60 Hz	Depth	2.5 in
Power Consumption Operational	4 Watt	Height	1.5 in
Output Power Supply	5.1V 3.5A	Weight	4 oz.
Operating Temperature	32°F-125°F	Humidity Range Operating	10 - 80%
